INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I have this song stuck in my head—you probably won't know it, 'cause it's from a musical. Anyway, I'm supposed to be seriously evaluating the photos in this issue, and instead my brain is going, "June is bustin' out all over." I'm just so in love with boobies this month!

I mean, LOOK at them. There's Jacqueline's sweet As and Sofia's dainty Bs and Nici's shapely Cs, topped by mouthwatering puffy nips. Luscious Ellena has breasts so perfect they look like they're carved from marble—yet they're softer than marshmallow. (How do I know? I'll never tell!)

Emilee's pink nipples look *so* pretty paired with her red hair and freckles, and Alison's big boobs are so buoyant, they point *up*. Finally—good God! Jessica's double Ds are practically more than any man or girl could handle—although I would love to try!

Don't worry—our June girls are adorable all over. But I'll be dreaming of dirty pillows tonight! What's in *your* dreams?

FEBRUARY 2014 PANTY CONTEST WINNER!

Terry James, we found your letter scintillating. Brynn's undies are headed your way!

Dear Brynn Jay,
I really cannot find any words to describe the truth of your prettiness! *Biblical* comes to mind...and *virginal*. I agree wholeheartedly, your boobs *are* small and perky. The greatest way for boobs to be!

I also read every word of your interview and, much to my delight, found your responses not only scintillating, but also concise. Sign of a smart girl! *Love* it.

I just want you to know a couple things. Your measurements are, for lack of a better word, *perfect*. I bet I'd pass out into a pleasure coma just from *seeing* you naked in real life. But...I also guarantee I could get you laughing through dinner at any steakhouse, and blow your freakin' mind afterwards with the *most* believable and satisfying RPG sex you ever had! (My excellent physical tone belies the secret fact I role-played all through high school—Dungeons & Dragons.) With my love of sex, porn, etc., I'd give ya a fun evening at the least. :)

What I *really* want you to know is how beautiful and down-to-earth you were in your pictorial/interview. Despite my own confidence level, or skill set, I could *never* imagine landing a lady like you! I WANT YOUR PANTIES! I want 'em BAAAADD! *Not* to brag. *Not* to whack off in 'em or something like that (though I'm not promising I won't. LOL!). But 'cause, goddammit, I really can't imagine *anything* cooler than owning the panties of a young girl who's right up my alley but totally out of my league!

Lots of love and luck, Brynn. Please don't stop working...

Terry James

Stacy the intern,
This is the first time that I have written BL. Like you said, Dillion Harper was HOT in the November 2013 issue of *Hustler*, but when I saw her spread in the February 2014 BL, she looked more like the girl next door. I enjoy looking at and reading BL every issue. Keep up the good work.

Rick
by Internet

Thanks, Rick! We're so happy you and other readers like Dillion au naturel. Her girl-next-door looks even inspired a poem!
—Stacy

Dear Dillion,
I write poetry. This is for you.

Dillion Harper with the pretty face,
Don't you ever let that smile go to waste,
Totally more than a fresh face,
Looks that can brighten up a place,
That squat shot; I could picture it on my face,
So you're in *This Ain't Star Trek*, you get me lost in space,
Give yourself some stars; you keep yourself in shape,
Don't ever forget, one day you'll be beyond this place,
Like the stars,
Yeah, you'll be great!

L.O.
Massachusetts

L.O., no one has ***ever*** *written a poem about me before! I will cherish this forever—thank you!!* ***—Dillion***

Hi Lindsey,
I was just blown away by the young ladies in February's BARELY LEGAL. Teddi Rae is so beautiful, with great tits, and her spread cheeks show off a tantalizing butthole. The delicate ridges look like they are being drawn into a cupped, light-brown tunnel of pleasure. Brynn Jay has wonderful small tits and full pussy. As Kimber Day looks back over her shoulder, her great-looking light-brown butthole and cunt are inviting. I couldn't resist using my tongue and cock to pleasure all their orifices.

Your first spread, however, featuring Suzi, is my all-time favorite and one of the most unique. She has an adorable face, great hair, and full lips. When she spreads her moist pussy lips, I want to lick them and her tight little butthole. What a delightful rounded butt she has. Suzi's tits are the perfect size and fullness, with puffy nipples on a petite brown background. Actually her whole body is perfection, and her mischievous, coy smile makes her irresistible.

The last picture of her cantering on Zeus is spectacular. What a great way to show off her gorgeous, athletic body. She looks totally uninhibited, a free spirit with wonderful flowing hair and that unique smile. Even at 75, this picture has my cock wet with pre-cum. It is worth framing.

Great job showing off the assets of so many beautiful young women.

K.L.
Oregon

Dear Lindsey,
Suzi and her horse Zeus was one of the best photo-shoots I have seen. I like the way it started with Suzi with her cute baby face with the riding helmet on in the stable then moved to the outdoors and Suzi kissing this magnificent beast. As the horse patiently looks on, she strips down to her thong and opens up her beautiful pink labia, relaxing on her red blanket in the countryside with a lovely smile and showing more vaginal, butthole, and nice, perky nipple shots. Finally a nice, reassuring, comforting hug with Zeus, and they both go riding off.

Thanks to Suzi for sharing her horse and herself in this magnificent pictorial. Kudos to Jana Krenová for the photo-shoot, and good luck to Suzi in her future modeling. Oh, yes, and good luck to Suzi with her other interests—namely boys. Keep trying, have fun, and relax during sex. I know Zeus will be peeking in the barn!

K.S.
Pennsylvania

Thank you, K.L. and K.S.! You know me, I hate to play favorites, but I have to admit Suzi ruled the February issue. I would go out and find more horseback-riding girls—but I think there's only one Suzi! ***—Lindsey***

Dear BARELY LEGAL,
Hey there, you hottie Lindsey. Just writing to inquire on something: Does any of the staff there get into any kind of heated arguments over deciding the winning letter in the panty give-away contests? And how many are involved in this decision?

Just curious,
K.S.
Texas

K.S., there are about five of us. We never get into arguments—we just get sad because we can't give panties to everyone who enters. :(I know that sounds corny, but it's true! ***—Lindsey***

JACQUELINE

jersey maid

Hey, it's Lindsey. Jacqueline is "a Jersey girl, born and bred"—and don't you dare forget it!

Hey, Jacqueline! How did you like posing nude?
It was *awesome*. I'm leaving California on a good note.
Why are you leaving?
I just finished my freshman year at USC. I can't wait to go home for the summer.
Are you going to hang out at the seashore?
Ugh, I wouldn't be caught *dead* down the shore.
But on *Jersey Shore*...
I hate that fucking show with a passion! Being a Jersey girl is not about winning a competition of who's the most skanky. --->

PHOTOGRAPHY BY BRETT MICHAEL NELSON

What *is* it about?

It's about being real. Not phony. Like girls in L.A. I mean, I'm sorry if you're from here.

I'm not. What makes you think girls in L.A. are phony?

All they care about is how they look. I swear to God, they're always posing like there's an invisible camera on them.

Don't you care about how you look?

Sure! I want guys to think I'm hot. And if they do, and if I think *they're* hot, we're going to fuck. No fucking games. You don't have to buy me dinner or take me shopping. The girls here, they want something in return for their pussy.

Aren't some girls in New Jersey like that? I mean, the Real Housewives...
Those skanks! They're, like, the opposite of real. They should move out here. They'd fit right in.
What's the first thing you're going to do when you get home?
Order a pizza. *Real* fucking pizza. Then I'm going to get laid.
Isn't that skanky behavior?
Only if you're dancing on a table with no panties and begging for dick like some loser. I never beg.
Well, have fun this summer!
Don't worry, I will. You should come with. Wherever you're from, you're all right! ★

ART LOVER

A BARELY LEGAL CONFESSION BY GIA LAURA FRANCIOSA

Hi, friends! I am so thrilled that my pictures made it into BARELY LEGAL. One of my photographer friends at school shot them for an art project. They turned out so well, he sent them to the magazine. I thought it was a long shot, but here I am. I'm so excited for you to get to know me!

My life has been awesome since I graduated high school. I never fit in there. While the other girls were partying and chasing jocks, I was doodling in my sketchbook and spending hours in the library, buried in art books. People thought I was a freak. I didn't care. Well, maybe sometimes I got lonely. And the one thing that interested me as much as art was sex.

Not long after I turned 18, I lost my virginity to a rocker dude who played drums in the school band. He was one of the only guys at school who seemed interesting. I thought he was sexy and mysterious. We started hanging out. He asked me if I wanted to do it. I thought it would be magical, but—not so much. He spent zero time on foreplay. I want to be kissed, stroked, and licked on! When he put it in, it wasn't painful, but he came really fast. Then he rolled off me and turned on the TV. So depressing.

I felt discouraged, but focused on moving on. Now that I'm in art school, the whole world is opening up to me.

I knew things would be awesome when I met my roomies. We instantly related 'cause they're different, just like me. Plus they're nice to look at. I appreciate beauty! Jenna is dark-haired and emo, and Kate has long blond hair and a bohemian vibe. Our very first night in the dorm, the three of us stayed up all night talking. I was like, I already love these girls! At that point, I didn't know just *how much* I'd love them, but more on that later. ;)

About a week into my first semester, I met a guy. I was eating a bagel in the cafeteria when he walked up out of nowhere all, "Hi, I'm Jacob." Weird for a minute, but he was *so* cute. We chatted. He's a web design major. He asked me out and I said okay.

We went to a coffee shop and took a walk in the giant park just off campus. He held my hand. Sweet, huh? We stretched out in the grass and watched the stars. Then he put his hand on my boob. A make-out sesh began and turned hot and heavy.

Jacob was a really good kisser, which got my panties wet quick. Girls, I think we can all agree that a guy's kissing ability is crucial. He knew what to do: firm but not rough, using his mouth to explore mine without being slobbery or sucking my face down his throat. I liked the way he touched my tits, too. He slipped his hand under my top and cupped them one at a time, tickling and pinching my nips softly. I slung a leg over his waist and grinded against his crotch, which was rock-hard. He fumbled for his fly.

"Touch it, please," he whispered, pulling out his dick.

I spit in my hand (lube is key, right?) and gripped it. The veins were throbbing. I squeezed.

"Harder," he gasped, thrusting his pelvis toward me. I tightened my grip. He moaned.

PHOTOGRAPHY BY SAGECHICKS.COM

"That doesn't hurt?" I said. I felt like I had his boner in a vise! But he loved it.

"No, just like that. Twist it a little bit."

I moved my wrist side to side, feeling the skin roll back and forth over his shaft. His cock pulsed against my palm. He groaned and pulled up my shirt, exposing my tits. He mashed them together.

"I want to stick it in there. In your cleavage. Okay? Lie on your back."

I stretched out. The grass tickled my skin. I pushed my boobs together. He crouched over me and slid his dick between them.

"Oh, fuck. Oh, yeah," he grunted.

I mashed them harder together. He thrust faster, digging his fingers into my shoulders.

"*Ah-ah-aaah!!!*"

SPLOOSH! A hot wad splattered my tits. I grinned. My very own pearl necklace.

I love new experiences, and I couldn't wait to tell Jenna and Kate all about it.

We were hanging in our tiny common area sharing a quart of butter pecan ice cream when I made the announcement.

"Slut!" Jenna laughed, throwing a couch pillow at me.

"I've never done that," Kate murmured, all dreamy-eyed.

"No?" I was kinda surprised because her boobs are so big.

"I haven't either," Jenna said. "But you know what I have done?"

She paused, all dramatic.

"Lez."

AGE: 18
HEIGHT: 5-6
WEIGHT: 125 POUNDS
MEASUREMENTS: 34B-25-36
HOMETOWN: PROVIDENCE, R.I.

We're all opened-minded girls, so nobody was scandalized or anything, but Kate and I had plenty of questions. Is it fun to suck tits? Does a girl's mouth feel different? What's it like to lick pussy? Jenna suggested showing rather than telling. Always up for new experiences, we were all down with it.

"Okay, get naked," Jenna said, all bossy. We wiggled out of our clothes. I admired Kate's big, bouncy boobs and furry cooch. (What a hippie—LOL!) Jenna's bod was hot, too. She was so petite, with porcelain skin and a bubble butt. My clit got hard. It was totally involuntary, and so gay.

"Nice," Jenna smiled. We gathered into a naked group-hug. Their skin was so silky against mine. It definitely felt different than rubbing up on a guy. Our nips touched. It made me giggly and goose-bumpy.

Jenna sat on the sofa and spread her legs.

"You guys wanna taste it?"

She spread her shiny, pink pussy lips. She looked crazy sexy, but I was kinda nervous. I nudged Kate like, You first. Watching Kate kneel between Jenna's creamy thighs, Jenna squirming and sighing, was a serious turn-on. It gave me courage. I wanted to get in on it. I plopped on the couch and cupped Jenna's perky little tits.

"Let me try."

"It's yummy," Kate enthused, scooting aside. I climbed down and made myself comfy between Jenna's legs. I nuzzled her cooch with my nose. I liked the smell, and was eager to taste it.

I licked her clit. It was slippery-wet. Kate started rubbing my boobs. My whole body tingled. I stuck my tongue in Jenna's hole. It was tight and salty-sweet. Delicious. I grabbed her hips and wrapped my lips around her pussy, sucking it. She pushed her crotch against my mouth and pulled my hair.

"Omigod," she gasped. "Are you sure you've never done this?"

"Looks *sooo* good," Kate said. Her hand crept between my thighs. She wiggled her fingers into my cooch and tickled my clit. I burrowed further into Jenna's pussy. Her legs quivered.

"You're making me fucking come," she wailed. I nommed harder. Her tangy juices filled my mouth.

"*Auugghhhnnk*!" she squealed. Girl-juice dribbled down my chin. Meanwhile Kate was still fingering me. I bounced on her hand, ready to gazz.

"*Ay-eee*!"

My body, like, exploded. I fell onto my back, gasping for breath. Man. There really is something to the lez thing.

On the other hand, there's no substitute for men. Jacob and I kept dating. A couple of weeks in, we still hadn't had full-on sex. Plenty of sexting, mutual masturbation, even oral, all of which is awesome. But part of me was like, WTF? Is something wrong? I'd only had that one lame experience, and I was *so* ready to try again.

Meanwhile, I had developed a wicked crush on my Intro to Painting prof, Mr. Wilson. He's *waaay* older than me. He might even be 40! But is there anything wrong with that, really?

I started fantasizing about him. He looks like if George Clooney grew a scruffy beard. Ultra sexy. I'd imagine Mr. Wilson's hands gliding up and down my naked body, his hard cock fucking my mouth till it was all wet and slobbery. Then he'd slip it into my pussy.

One day a nude model came to class so we could practice figure drawing. It was a guy. He stood there with his dong just hanging. It's only art, but looking at a naked dude with Mr. Wilson in the room flustered me for some reason. When he strolled over to my easel to check out my work, I turned beet red. *Ugh.* I'm not normally shy like that. And I was horny at the same time. I hoped he didn't notice, but at the same time, I hoped he did. ---->

"Interesting use of texture," he said, pointing to the drawing's pubes. "Excellent."

"*Umm*," I gulped. "Thanks. I thought it looked sloppy. I hate my drawings."

"You need to build your confidence. You're holding back." His eyes wandered to my chest. "I have office hours tomorrow. Bring your work."

I showed up the next day, my heart pounding. His office was tiny, crammed with books and tubes of paint. I sat in the battered lounge chair across from his desk and handed him my sketchbook. He flipped through the pages, but was looking at me instead.

"Look." He slammed the book closed. "As an artist, you need to be capable of expressing yourself. I can help you do that."

He stood up, closed the door, and locked it.

"Learn to be comfortable in your skin," he said. "Show me your breasts."

I thought I *was* comfy in my skin. I mean, what about my wild lesbian experience?

I pulled my shirt over my head and unhooked my bra, slipping the straps off my shoulders. It fell on the floor. He picked it up, fondled and sniffed it. I glanced down and saw a big-ass bulge in his pants. He stepped toward me and squeezed my tits.

"Now drop your panties and show me your ass."

I slipped out of my undies, turned around, and lifted my skirt.

"Turn around and face the desk. Place your hands on it and bend over."

I did as Mr. Wilson said. His fingers caressed my butt cheeks, then SMACK! He spanked me. I nearly jumped out of my skin. I was prickly all over. SMACK! He did it again, harder. It stung. I liked it. I could hear him panting.

"Have you ever…opened your butt?"

Huh? I hoped he wasn't talking about pooping. I shook my head.

"It's time to open it, along with your mind."

Mr. Wilson spread my cheeks. I stiffened. I was freaking out a little bit. A gob of spit plopped onto my butthole. He rubbed it in with his thumb. I was amazed by how good it felt. My body began to relax. He kept massaging my toot. The longer he did, the more I melted. A rush of juice coursed through my pussy. He jiggled a finger in my slit. I dripped.

This was nuts. I'd hardly ever thought about anal, and suddenly I wanted it. Bad.

He spit on my pooter again, spread my ass wider, and slowly slid his thumb all the way in. My butt muscles quivered around it.

"Stick your cock in."

Did I actually say that?

I closed my eyes, stretched out my arms, and clutched the other side of the desk. My nipples swayed against the wooden top. Mr. Wilson circled my butthole with the tip of his dick. I took a deep breath as the head popped in. With a hand on each of my cheeks, he pushed deeper. The pressure was intense in a really good way, like that ultra-full feeling right before an orgasm.

We found a rhythm. He pumped my butt. OMG. I seriously loved it.

"Good God," he wheezed, thrusting faster. "Your ass. Holy…AAAHHH!!!"

Wow! What a thrill to hear Mr. Wilson lose control like that. Even better? The sensation of a booty full of hot cum. I never dreamed our student/teacher meeting would teach me this.

I haven't told Jenna and Kate about my anal experience. For now, it's my special secret. I broke things off with Jacob. We haven't done it regular-style yet—no way he's adventurous enough to try it like Mr. Wilson taught me.

At this rate, I wonder when I'll ever get it in the pussy. Meanwhile, guess I'll hone my craft with butt love. I'm overflowing with creative juices.★

SLUMBER PARTY

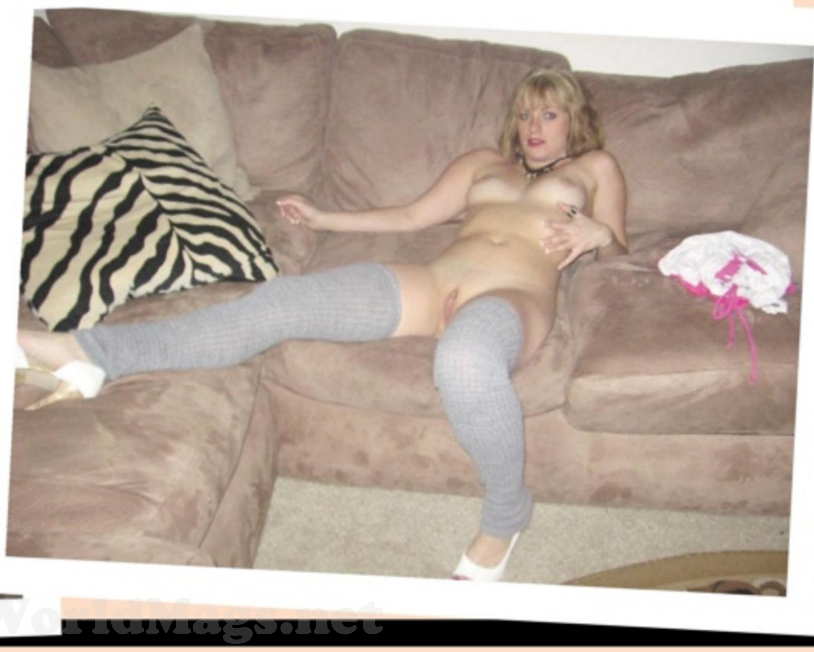

EARN UP TO $2,500!

"It might be fun to be naked in the middle of Grand Central Station," muses newly legal **Leah**. Instead she chose the next best thing: BARELY LEGAL! This private exotic dancer from San Diego says she's "a frisky one when it comes to sex," and she likes "most all positions," but cowgirl gets her off the quickest. (What's the rush?) Leah believes that her best feature is her ass—and a cock in it "feels great." She's "definitely bi when it comes to the right girl" (that's us!), and she would make the perfect girlfriend for any guy because "I don't get jealous, and I'm a cuddle bunny." In her spare time, this sassy ex-cheerleader enjoys going to the gym and riding her beach cruiser. Ambitious Leah has fulfilled all of her favorite fantasies except one: "It would be nice to meet Larry Flynt." Well, we know he's watching!

"It has always been my dream to pose naked," confesses glamorous **Paris**. We LOVE making dreams come true! Since turning legal, this Baltimore bartender has had sex "a lot," and she prefers being on top—the better to balance those double-D boobies! Paris once "had sex at a club with people watching," and her fave fantasy is even *more* perverted: "I'm at the beach and a wave pulls me under. The lifeguard pulls me onto the dry sand, gives me mouth-to-mouth, and pumps on my large chest until I awaken. After that I repay him by sticking his throbbing cock inside me with everyone standing around watching"—including her boyfriend! Poor boyfriend—and lucky everybody else!

EMILEE

ass-ociate degree

Hey, it's Lindsey. Former Teen Queen of the Month Emilee (Anniversary 2011) just finished her junior year in college! They grow up so fast. *Sniff.*

Welcome back, Emilee! What's been your proudest achievement in the past three years?
That I've only gained two pounds. Everyone else blew up like a balloon freshman year.
What's your secret?
Lots of sex!
Do you have a boyfriend?
No, the last time I had a regular boyfriend was in high school—Connor.
I forget, why did you guys break up?
Well, we were having sex and he stuck his cock in my ass without warning—no lube or spit or anything. And I'm sorry, but it *hurt.*
His penis was totally *dry*?
It was a little wet from my pussy, but *that's* not enough. ----➤

PHOTOGRAPHY BY MATTI KLATT

So, were you turned off anal forever?
No, I *love* it—now that I've learned the trick.
What's the trick?
Preparation! Lick my butthole first, or rub it a little with your thumb. Maybe use a toy. *Lots* of lube. Then, once I'm good and ready, slide your cock in real slow. Fuck me gently at first, until you hear me moaning and breathing heavy. Then go crazy!
You sound like you've made a study of butt sex.
I have! The great thing about college is, you have sex at your fingertips. You can do tons of experimenting.
College is great for getting a degree, too. ;)
Of course! I take my studies very seriously. I plan to be a sex therapist someday.
That's a real job?
Yes, an important one! I've learned how to make myself feel good, and I want to help others do the same. You're going to be proud of me, Lindsey.
I already am! ★

ALISON

nice and easy doesn't

It's me again, Stacy the intern. College freshman Alison looks just like Kristen Stewart from *Twilight*, but she doesn't bite...*too* hard.

Hey, Alison! Did posing nude turn you on?
Yeah! I wish I had a toy right now. I hate to let a wet cooch go to waste.
Can you use your fingers?
I *can*, but I really need something bigger right now. Hang on, lemme make a call. [*Leaves, then comes back five minutes later.*]
Did you just make a booty call?
Yeah. As soon as we're done here, I'm getting some cock.
Wow, don't be shy!
LOL! I know, I can be pretty aggressive. It's even worse when I'm super horny and feeling frustrated. Like right now!
Do guys ever think you're *too* aggressive?
I guess some guys might. That's fine. You can't have good chemistry with *everyone*.
What kind of guys do you have good chemistry with?
Guys who have boners 24/7 and are total animals in bed.
Have you ever had nice, lovey-dovey sex?
A couple of times, but it didn't really do anything for me. I mean, maybe someday I'll like it that way. Right now I feel like I have a lot to get out of my system.
You've been unleashed!
I have! Sometimes I can't even control myself! The other day I bit a guy too hard and broke the skin.
The skin of his *penis*?
No, his arm! I'm careful with cock. I love to suck hard, but I watch my teeth.
What's the roughest sex you've ever had?
Getting fucked in the ass. It always feels insanely tight—like I'm right on the verge of being busted open. I love it.
You know, you should be careful with your *own* body parts, too.
I know. I did go too far once—two guys in my pussy and ass at the same time. I couldn't sit down for a week!
Ouch!
Yeah. Next time they *have* to be smaller than eight inches. ;) ★

HOW TO PICK UP A TEEN

HUSTLER Video. Director: Bud Fox. Starring: Tristan Berrimore, Averi Brooks, Cali Hayes, Kim Blossom, Zoey Foxx, TJ Cummings, Alex Gonz, Alec Knight, Bill Bailey, and Tommy Pistol.

This movie is supposed to be like an instructional video, which is kind of silly—these girls are *not* hard to pick up. An *actual* difficult subject would be "How to Keep These Teens Off Your Cock." The answer: You can't! For instance, Asian beauty Kim Blossom *won't stop* sucking Alec Knight's dick. Every time they change position, there she is, jamming it back in her mouth. The only time she voluntarily stops sucking is when she chews on his balls. Another exotic hottie, olive-skinned Averi Brooks, says she was "born shy" and doesn't seem super-thrilled about being filmed—but once TJ Cummings's cock is deep in her gooey pussy, she lights up like a firefly! (By the way, you can see a full photo-set of Averi next month, in our July issue.) Not shy at all are Zoey Foxx and Cali Hayes—they both *beam* at the sight of a boner. Zoey has the sweetest smile ever—which fades when she blows Bill Bailey. It's hard to grin when your mouth is full of eight pounds of peen! Brunette Cali is *so* pretty and retro—like a Maybelline model from the '70s—and she has perfect boobies: small and perky, with insanely puffy areolas and pointy nips. When she rides Alex Gonz's uncut cock cowgirl-style, you're going to be banging at the screen to get at those titties. (At least, that's what *I* did.) Cali and Zoey have the cutest, smiliest personalities, but for most fun (and funniest), I pick Tristan Berrimore. Tommy Pistol says he's going to pick her up using humor, but when he touches her tits, she asks, "Is this the first time you've done this with a woman?" LOL! Tristan and Tommy kiss a *lot*, and the whole scene they're talking and laughing and having a great time. If porn is fantasy, they definitely got mine! I really liked this movie, and the only negative thing I have to say is, the camera might stay too long sometimes on close-ups of cocks going into coochies. I want to see these girls' pretty, happy faces!

Kim gets into sucking position.

The whole world smiles with Zoey.

Tristan is already coming. Wait for the penis, girl!

Don't be so bashful, Averi.

Cali stars in That '70s Blow.

Alex, keep your stinkin' mouth off our titties!

EDEN & TESSA

it always hurts the first time

Eden's only 18 years old, but she's already a seasoned heart-breaker. Her younger friend Tessa turned 18 last week. All Tessa wanted was to spend her birthday with Eden. Eden knows the budding lesbo is desperately in love with her, but Eden doesn't care. The cold little nympho only wants easy action.

"Come to my house and we'll party," Eden suggested. Eden didn't buy Tessa a present, instead she exposed her soft, creamy boobs and told the fawning sweetie to suck her pale nipples. It was Tessa's first time.

"Your titties taste so good," Tessa moaned, her lips closing around Eden's areola. "Can I suck your pussy?"

Eden crouched on hands and knees; her taut bottom hovered in Tessa's face. With trembling fingers, Tessa parted Eden's damp petals and raked her tongue through the juicy trough. Eden bucked fiercely against Tessa's face.

"If you make me come, I'll eat you too," Eden panted. Earnest Tessa plunged her tongue deeper inside of Eden's cave. Eden brayed like a pony. Her hips trembled; girl gunk squirted violently from her gulch.

"I love you, Eden," Tessa cried, her face shiny with jill-juice.

"Cut that out," Eden groused. "I don't want to hear it."

Tessa's twat felt great when Eden ate it, but her heart was filled with sorrow. *She's an ice-cold bitch*, Tessa mourned while Eden's fingers tickled her cervix. Tessa came hard; Eden sent her home.

"I'm not ready for a serious relationship," Eden explained as she ushered the sobbing girl-toy out the door.

That night, Tessa vowed she'd only have sex with boys from then on. "Fuck true love," she spat. "Just make me come and go home." ★
